Each week, The Broadway Blast highlights several people in need of special prayers for healing or strength in the midst of a health concern. Please pray for:

Lentreat coming soon!

**Thank you so much for letting us use your facility on January 8th for
The Healthy Living mixer.**

**We would like to thank Carl & Alice Clopton for purchasing and installing the
new door knob on the bathroom door behind the Sanctuary.**

**Thank you for opening your doors for our community health screening in your
community. It is because of your generosity that Life Line Screening continues to be
able to bring these health screenings into your area and for that,
we are very appreciative.**

We look forward to working together again!

We appreciate all your help and support with hosting this community outreach event.

Sincerely, Brenda Clark, Life Line Screening
